

Litmos Solutions

Plans that scale with business growth

Litmos makes it easy! Choose from three learning solution packages that meet business objectives, from large enterprise or small, high-growth start-ups.

Platinum Suite

Designed for large enterprises or mid-market companies who require a global, scalable, and robust feature set, with services to support success.

Premier Suite

Designed for mid-market or fast-growing companies who need the most popular features and content that provide targeted business outcomes.

Foundation Suite

Designed for smaller companies who have limited staff and need the features that provide targeted learning quickly.

Litmos Foundation Suite

Litmos Foundation Suite helps to ensure that training initiatives for small businesses, individual business units, and non-profits are relevant, effective, and deliver a positive return on investment.

Litmos Foundation Suite provides an easy to use, affordable, cloud-based Learning Management System (LMS), a starter pack of 140 training courses, and implementation services to get programs up and running quickly.

The Foundation Suite includes secure, embedded AI features to streamline administration and improve learning outcomes. Litmos AI Assistant surfaces information faster, delivers targeted learning materials to improve job performance, and simplifies assignment and reporting. AI-curated playlists adapt to individual learning needs, helping increase training content engagement and retention. AI/ML Video Assessments provide real-time training feedback.

Embrace the future of corporate learning and elevate your business with Litmos Foundation Suite.

Foundation Suite

Designed for smaller companies who have limited staff and need the features that provide targeted learning quickly.

Litmos Premier Suite

Litmos Premier Suite is a scalable and secure cloud-based platform for managing and delivering training, tracking employee, partner and customer progress, and ensuring consistency across departments and locations. Create a culture of continuous learning, encouraging employees to take ownership of their own development, and providing opportunities for on-the-job training and mentoring. With Litmos, companies can create a more engaged and skilled workforce, partner network, and customer base, ultimately leading to greater business success.

Litmos Premier Suite includes secure, embedded AI features to streamline administration and improve learning outcomes. Litmos AI Assistant surfaces information faster, delivers targeted learning materials to improve job performance, and simplifies assignment and reporting. AI-curated playlists adapt to individual learning needs, helping increase training content engagement and retention. AI/ML Video Assessments provide real-time training feedback. And Litmos built-in AI-enhanced Content Authoring Tool helps create interactive and immersive training materials loved by learners.

Litmos Platinum Suite

Litmos Platinum Suite is a scalable and secure cloud-based platform for managing and delivering training, delivering engaging content, tracking progress, upskilling the workforce, and ensuring consistency across global teams, departments, partners, and regions. Create a culture of continuous learning, encouraging employees, partners, and customers to take ownership of their training. With Litmos, companies can create a more engaged and skilled workforce, partner network, and customer base, ultimately leading to greater business success.

The built-in Litmos AI Assistant is a personal learning concierge helping with discovery, recall, and assignment in a secure environment. With AI Playlist, training becomes a captivating adventure, with content handpicked to match interests and goals. Harness the power of AI/ML Video Assessments to receive detailed feedback and track progress. And with the built-in AI-enhanced Content Authoring Tool, creating engaging training material becomes a breeze.
